## WOMEN'S BIBLE TEACHING

Cindy Fraser has been called by God in the early 80s to be a teacher of His Word. She is a serious student of the Word, focusing on the Inductive Bible Study Method since 2007. Her passion is to teach women how to study the Bible, to dig deep for understanding. In addition, she desires for women to develop an intense yearning to draw closer to God through reading and writing out the Bible.

Cindy and her husband, Kevin, live in southern British Columbia where they enjoy highway adventures in their beautiful province.

## 15 WAYS TO *Pray for Israel And Jerusalem*

---

Psalm 122:6-7

Pray for the peace of Jerusalem:  
they shall prosper that love thee.  
Peace be within thy walls, and  
prosperity within thy palaces.

Church Of Dormition and  
Bell-Tower On Mount Zion

- God loves and is jealous for His city, Jerusalem, and will not allow it to be stolen from Him.
- Jesus wept over the city. Not just gentle tears but real sobs.
- David commanded the Jewish people and all who read his words to pray for the peace of Jerusalem and love this city.
- While David said to pray for peace within the city walls and prosperity in the city, we also have other ways to pray in specifics.
- Real-life in Jerusalem is not what we think as there are many people who are living in poverty and hardship. We need to pray for them.

## 15 WAYS TO PRAY FOR JERUSALEM

This prayer guide is designed a prayer pointers to include as you pray for the peace of Jerusalem. Mix them up, or pray them as you read them. Let Holy Spirit move you to pray as He desires. May you be blessed beyond measure as you take your place as a watchman praying over the nation of Israel and the beautiful city of Jerusalem.

### Pray for:

1. peace at the walls of the city, that the walls will not be attacked. Pray for the strong foundation.
2. peace in the enemy's camp, that they will not devise any evil schemes.
3. the soldiers' mothers who do not know if their adult children will return home at the end of the day. And for their spouses and children as war is a stressful time.
4. the soldiers as they do their jobs. Pray for their safety, their skill in their training and performance.
5. God's anointing oil to be poured out over the city.
6. the peace of families living within the city walls. These families are Orthodox Jews, Messianic Jews, and Palestinian Muslims.
7. the peace of those who live outside the city walls. Again, they are a varied culture that ought to live in peace and harmony.
8. Jewish families who are scattered abroad to return to Israel.
9. the economy of Jerusalem and Israel, Psalm 122:7. That the people will have the opportunity to earn a living and provide for their families.
10. peace on the streets from one corner of the city to the other, no matter who lives there.
11. all those living in the city to be under conviction of sin. That Holy Spirit will reveal to them that Godly righteousness and judgment are lacking in their lives and they need to repent.
12. all levels of government in Israel and in Jerusalem to be honest and upright and full of integrity.
13. the root of corruption to be exposed and cleansed. Let righteousness rule in government.
14. leaders who are elected or appointed to be the best fit for their positions. In other words, the right people in the right positions at the right time.
15. strong men and women of God to be influential to those in leadership.
16. **BONUS:** the people to live holy and blameless before God, that they would put away any abominations and live uprightly before Him.
17. **EXTRA BONUS:** for God's will to be done for Israel according to Bible prophecies.
